## **Department Update:**

### **Public Works – Jason Stordahl**

**Spring Cleanup Week:** Spring Cleanup Week went fairly well last week. City wide we found that there was substantially more materials placed out this spring verse last. We had some minor operational setbacks last week with machinery breakdowns and short staffing, but managed to finish up Cleanup early this week. We are now (and will be until complete) picking up brush piles.

**Hazardous Waste & Electronic Drop Off:** There was a good turnout for the Drop Off Event. Staff loaded up an entire semi of recyclables/electronics.

**Mowing:** We had another seasonal employee start this week, and hope to be fully staffed with seasonal labors within the next two weeks. We will also be starting our spraying program very shortly.
