Update from the Mayor's Office

This item is also included on the work session agenda for Tuesday, July 11th but recently the City received a letter from the League of Minnesota Cities. Each year the League's Board of Directors recognize legislators for a variety of things such as their actions or leadership on important issues during the session. This year they recognized 32 legislators in 2017 with 18 being House members and 14 Senate members.

The League requested the Mayor to announce and recognize Senator Mark Johnson for being included in this group of individuals. The letter that was received by the Mayor as well as Senator Mark Johnson are included in the packet and as stated above will be mentioned during the work session on July 11th.
