## **Department Update:**

### **Public Works – Jason Stordahl**

#### **Spring Cleanup:**

Cleanup is underway and looks to be a typical spring as far as amount of debris being collected. Our “hazardous waste and electronic drop off event” will take place this Saturday, May 11th from 9am-3pm at our Public Works Facility. Brush cleanup will take place next week.

#### **Flood:**

All floodwall closures have been removed, and all roadways are open to traffic.

We anticipate installing pedestrian bridge railing on both south and north bridges sometime next week. Before we can open the bridges, we have to clear all debris and have them inspected.

#### **Mowing:**

Our summer mowers have been hired and will starting mowing next week.

#### **Streets:**

OPP construction is pouring sidewalk along Greenway Blvd. today.
